***** VGM *****

In line with SOLAS regulations it is a mandatory requirement to supply a VGM ahead of shipment.

It is recommended to provide the VGM as soon as it is available but no later than the VGM cut-off date listed on this booking confirmation.

Where a VGM is not available at the time of VGM cut-off, short shipment may occur with any subsequent costs remaining for the account of the cargo.

In all instances it remains the shippers responsibility to arrange VGM via the appropriate means.

A number of terminals will require a VGM ahead of the container(s) arrival making the VGM cut-off date obsolete. Those terminals will be highlighted on page 1 of this confirmation.

Carrier may ask for further information due to country requirements and relies in the correctness of the transmitted data. Carrier will not verify authorization or VGM. Shipper shall monitor its VGM on www.hapag-lloyd.com/en/my_shipments.html and shall notify Carrier promptly if VGM is not correct.
