Good morning Silvana, thanks for your comment.

If you have new shipment (air or ocean) ex China to Guatemala, Base port of China to Puerto Quetzal FOB ocean rate is USD2000/2100/2100. Validity is 10th Sep. Air rate need according to weight to confirm.

I also have long time work partner in Central America, such as C807, Apopsa, TCG... If you worry, we can offer contact info let you to check with them.

Expect we can work some shipment, if you have any request or condition pls feel free advice.

Wait your comment

Brgds

Good morning Ervin, glad to contact you

Of course we can continue working, just is better for us contact WCA partners. I transferred our offer to our cliente, so we're waiting his comments.

I'll let you know any advance. Best Regards,
